

## Davis Doodles Pet Puppy Application

**We require a \$500 non-refundable deposit and a completed Puppy Application to hold a puppy for you.** Your deposit will be applied toward your purchase price. (Shipping/transportation charges are additional.) We attempt to meet preferences regarding color and gender, but we cannot guarantee that what you request will be produced in any particular litter. If we don't produce what is requested, you have the option to move to another Waiting List for a future litter. Order of the Waiting List is determined by the date that we receive the completed Application and Deposit.

Deposits may be paid either electronically via Paypal, or you may mail a money order or personal check to our address. **Please make money orders or checks payable to Susan Davis.** You will be added to the Waiting List once the transaction has been processed completely and the funds moved into our account. Puppy Selection is made in the order in which the funds are actually received, not the order in which checks or money orders arrive at our address. Contact us when you are ready to send your deposit and completed Puppy Application for mailing address information.

A second payment of \$1000 is due once the puppies are born, and the final payment is due by the time the puppies are 7 weeks old. Deposits may be made via Paypal or personal check (or money order). We do NOT accept any other payments via Paypal. Personal checks may be used for deposits or payments made prior to the puppies turning 5 weeks of age. Any subsequent payments must be made by money order or cash.

**The first two spots on each waiting list are reserved for Davis Doodles breeding stock.** This does not mean that we always keep back two puppies, but we reserve the right to do so. Breeder selections are made when the puppies are between 7 and 8 weeks of age. Pet selection is made immediately following. Puppies go home between 8 and 9 weeks of age. If you are interested in having one of our breeding dogs as your family pet, please contact us about the possibility of becoming a Guardian Family for one of our potential breeding dogs.
